

Dear 'Andy':

I wanted to drop you a line to say how much I enjoyed my "Experience" last Saturday. It had been my ambition to drive a tank, plus other track-type vehicles, for many years. I had a fantastic afternoon and would like you to pass on my thanks to your excellent team.

Lastly, by no means least, please pass on my sincere thanks to your wife who very kindly gave me some of your own 'home grown' eggs - which were delicious. Although I always buy 'free-range' (as I care very much about animal welfare) none have ever tasted quite so good as yours. Seeing your two children playing so happily, especially in the mud, and with your lovely dog, brought back happy memories of my own kids when they were young.

I just wanted to say a big thank you to you all. I wish you years of happiness and success together.

Yours sincerely,

Lyn Hills
